### **President's Report:**

The 50/50 Raffle was a big success and something that the club will continue to do in the future.

Jonie Bravos reached out to Ryan to see if the club would be interested in putting on WCBRA races this year, and co-sanctioning NSBRA. The club discussed this and decided that as a club we will only be putting on NSBRA prime races, but we will co-sanction if someone wanted to produce any WCBRA races there.

**Vice President's Report:** N/A

### **Points and Membership:**

There are now 185 members. The club discussed what should be done if a new member does not submit their horses' papers within the allotted time frame. It was decided that we will allow a member to receive race attendance credit, but no points will be awarded.

### **Old Business:**

The May 4<sup>th</sup> race will be canceled due to too many date conflicts. Tuesday, May 14<sup>th</sup> will be the Redding Rodeo jackpot. Details of the upcoming Budlight 3000 and the Spring Classic were discussed.

Karena volunteered to put out our year end saddle bids on to the Facebook and website. Details such as the price, availability, pictures, and type/style will need to be included in the bid. A tentative date of May 31<sup>st</sup> is when the bids will need to be placed.

**New Business:**

The Senior Nutrition Program attended this meeting in order to inquire about doing a fundraiser barrel race to support the Meals on Wheels program. Currently their funding is limited through their contract, and supported from the contract budget plus senior donations. They are looking to fundraise in order to serve more meals to the elderly. If they were able to raise \$1,000 it would make about 300 meals. Ryan explained the overhead costs of producing a barrel race (venue, tractor, etc.) and it was decided it would be most profitable for them if they could get the facility donated to support the cause. There is no definite time frame for the race as of now, but winter time or early spring were discussed as possible dates.

8:00 PM – A motion was made to end the meeting by Ryan Jarrett, and seconded by Karena Mayer.
