Treasurer's Report:

We had about \$1,084 in cosanctions and \$650 in memberships. As of now we are doing good for year end, but need to access for finals.

Period for July 1st- July 31st

Beginning balance on July 1 \$13,259.92

Ending balance on July 31st \$15,777.25

Savings account balance \$2,604.73

Karena approved the report, Sheri seconded

Points and Membership:

We have about 250 members. About 60 members voted for saddles. Currently Spring is beyond 30 days to get the co sanctions in for a few races. We will need to decide if we should stop co sanctioning early to make sure we have the money and results in time for our points cut off. Sheri approved the report, Karena seconded.

New Business:

Susie Gunter brought to our attention that we need a place for WPRA numbers on our Anniversary Race entry form. Susie also presented the board with a form for the board to consider using for next year's saddle bids. The form would be more detailed and allow the saddle maker to show case what they can make.

We need to start considering candidates for junior most improved for year end. We also need to nail down some buckle sponsors for juniors and FBRs.

We will try to hand out finals raffle tickets in person, and mail them last resort to save money.

Justin Jones has dates available in September for some race dates. He also donated the arena for the race we had on August 1st.

7:23 Diane made a motion to end the meeting, Ryan seconded.
