 - 6.16.4 In no case will the rider with the penalty receive more points than a rider without a penalty.
 - 6.16.5 Off course will be rewarded with one (1) point. If there are more than one (1) off course in the category then the available points will be added together and divided by the number of riders that their run resulted in an off course.
- 6.17 When determining points to be awarded, a non-member (or members who did not pay a co-sanction fee at a co-sanction race) shall be skipped as if it had not run at all and the next placing member horse shall be awarded those points.
- 6.18 A member's disqualification, which results in a 'NO TIME,' will result in a minimum of one (1) point given. For example, a broken cloverleaf pattern would be grounds for an 'Off Course' disqualification and a minimum of one (1) point will be given.

SECTION 7: NSBRA PRIMARY ARENA RULES

- 7.1 NO WARM-UPS, PRACTICE, FBR OR SCHOOLING RUNS WILL BE ALLOWED on the barrel markers in the arena once the pattern is set with markers or barrels.

- 7.3 Once a race is posted and announced, contestants will run in the order posted. If a rider runs out of order, i.e., order of the horse (multiple horses) or draw position that will result in an immediate disqualification.
- 7.4 Horses may only be entered once at any given NSBRA barrel race. Reruns will not be allowed. The only exception is in the event of a timer malfunction, see SECTION 7:7.9.
 - 7.4.1 Multiple riders are not allowed to enter a race on the same horse.

- 7.5 Double header races consist of two (2) separate races in a day. With this format a horse may enter each race once at a NSBRA primary sanctioned race.
- 7.6 If the jackpot is timed with an electric eye that records times to the 100s or 1000s ties MUST be broken and paid on the last number the eye records (no rounding).
- 7.8 If using a flagger, said person is not to move from the score line for any reason once the barrel race has begun.
- 7.9 If the electric eye fails during a rider's run and there is no backup watch, the rider has the CHOICE of a re-run at the rider's and arena operator's discretion. If the person chooses not to run, they will receive a refund less any fees. It is the rider's responsibility to immediately notify the arena operator if they request not to re-run.
- 7.10 Members are responsible for downed barrels or retrieving lost articles if the arena operator does not have help available.
- 7.11 In no instance shall any barrel be set closer than 15 feet from a side (1st and 2nd barrel) fence or 25 feet from the back (3rd barrel fence). The score line shall be at least 45 feet from the end of the arena. A REGULATION COURSE SHALL BE SET WHENEVER POSSIBLE. This means barrels one and two must be 90 feet apart and 60 feet from the score line. Barrel three is 105 feet from barrels one and two. The barrel pattern MUST BE MEASURED AND/OR MARKED to ensure barrels one and two are an equal distance from the score line. In the case of a pattern less than standard the 3rd barrel distance will not be more than the distance between the 1st and 2nd barrel plus 15 – 20 feet. Example: 70 feet between the first and second barrel, then no more than 85 – 90 feet from the 2nd to the 3rd barrel. A pattern proportionate to a standard pattern should be the rule. In no cases will the pattern be set larger than a standard pattern, unless approved by the NSBRA BODs.
- 7.12 Barrels shall be placed at the discretion of the arena operator. Barrels must be consistently placed throughout the entire event.
- 7.13 The start/finish line and the position for the barrels must be marked permanently for the entire event.
- 7.14 The cloverleaf pattern is defined as one turn to the left around the barrel and one turn to the right around each of the remaining two barrels, the second barrel being directly across the arena from the first barrel. Barrel racers may also make one right turn and two left turns.
- 7.15 If a horse takes a step backwards or stops forward motion at any time once the eye is broke; it is off pattern and therefore, a No Time.
- 7.16 Barrel racing is a timed event using colored 55-gallon steel drums. Plastic barrels may NOT be used.
- 7.17 Both ends of the barrels must be enclosed and the sides must be solid.
- 7.18 If barrel covers are used, they should be used throughout the entire jackpot.
- 7.19 There is to be only one horse in the arena at a time during a competition barrel race, ONLY exception is gate assistance in which the assisting horse must immediately leave the arena before the contestant's horse crosses the timing eyes.
- 7.20 A parent or guardian may assist a junior into the arena and stay in the arena, behind the timing eyes, in order to assist the junior before and after the completion of the run.
- 7.21 There may be more than one horse in the arena during time onlys at the discretion of the Arena Operator and/or the riders using their time onlys.
- 7.22 The starting gate or gates will remain the same throughout the entire event. If there is a

center gate it must be closed until the rider has completed their run and stopped their horse.

- 7.23 Contestants will be assessed a five (5) second penalty for each knocked over barrel. Touching a barrel is permitted.
 - 7.23.1 For the payout at a 4D race, any time with a penalty will not receive a check.
 - 7.23.2 For points you will receive your time plus five (5) seconds for each knocked down barrel.
- 7.24 Should a barrel be knocked over and it sets up on the opposite end, the five second (5) penalty will still be assessed.
- 7.25 Time will begin and stop when the contestant crosses the start/finish line.
- 7.26 The arena operator shall have the right to check on any rider's eligibility at any time as stipulated in Section 5: 5.2 of these rules.

- 7.31 An advertised jackpot may be cancelled only because of weather or a situation deemed to be an emergency. Every effort must be made to notify barrel racers and the Arena Director or BODs.
- 7.32 If a change of jackpot location occurs, Arena Operator must give directions to the new location. A notice must be posted in a clearly seen position giving directions to the new location, and notification on every available network possible, with the jackpot being held up, allowing for travel of contestants to the new location.
- 7.33 Arena operators, NSBRA primary sanction, shall follow all NSBRA rules or may be subject to a fifty dollar (\$50) fine and/or suspension. If suspension occurs, the arena is liable for the cost of notifying members. Re-approval will be by BOD decision only.
